**Retirement and assisted living facilities vary widely in determining their price. Some questions to ask include:**

- Is the facility on a point system or on a level-of-care system for assisted living?
- Are there extra charges for "add-on" services like tray service or personal laundry?
- When does the facility expect its next price increase?
- If the facility is a rental, is there a lease or is it a month-to-month agreement?
- Is there a deposit/entry fee? Is it refundable? How is it applied? (first/last month's rent, as security deposit, etc.)
- Will long-term care insurance cover costs?

**Please call the providers directly to ask specific questions, request written information, and/or schedule a tour.**
